**Dear Sir OR Madam**

**Good Morning to YOU and I hope everything is  
GREAT.**

**With reference to the House Bill 6818,  
Please kindly note that *I am US Citizen and opposing  
to the house Bill 6818 of implementing toll on our  
Connecticut borders.***

**Please kindly note that I live in Danbury (Fairfield  
County) and **I am a Licensed Realtor here**. We have lot  
of people moving in to Fairfield County from New  
York. If toll imposed, our Real Estate market will go  
more down which already slow today anyway.**

**Also we have the Biggest Mall here in Danbury where people from New York (50%) comes Everyday for shopping which will be also affected.**

***In my Honest Opinion, It is not wise idea to place toll in our Connecticut, making more expenssive for our Citizens and Businesses.***

**Thank You very much for your time and co-operation  
*With best regards***

**Truly Yours  
Ajay Shah**

**HAVE A GREAT FRIDAY TO YOU**
